

You set the table & we'll do the rest! THANKSGIVING-TO-GO

At Independence Village, we value the importance of building memories and spending quality time with family & friends, especially around the holidays. This year, the culinary team is offering a sensational-stress-free "Thanksgiving-To-Go" catering-style-dinner, prepared by our very own Executive Chef.

From pick-up to clean-up, we will have your mind at ease with clear reheating instructions and disposable packaging when you're all done!

In order to deliver the absolute best experience to you and your family — everything on the menu will be made from scratch, with quality ingredients that make every bite delicious, every flavor memorable, and every day craveable; your Thanksgiving Dinner is bound to SHINE!
