

CHEERS TO CRAFT BEER, WINE & GREAT LIVING!

Join us on a afternoon for a special craft beer & wine tasting open house! We will encourage you to take notes on your favorite reds, whites and malts — from Great Lakes Brewing Company and John Christ Winery! While you enjoy the live band, 'Music on a Mission' and taste some phenomenal hors d'oeuvres that are made in-house by our Executive Chef.

While you're here ...

You'll have the opportunity to view our beautiful community and learn why Independence Village is a champion for older adults and their loved ones.
