Employee Spotlight

Meet Parker Wilcox!

Parker has been a dishwasher here at Independence Village since 2020! He's a big fan of pro wrestling, hard rock, and pizza parties. One of his favorite memories is getting a hit in a Miracle League baseball game off Detroit Tigers centerfielder Parker Meadows! We're so grateful for everything Parker contributes to our community!

October Birthdays

10/15- David S.

10/15- Bud M.

10/25- Dawn S.

Resident Spotlight

Meet Sheila Foster!

Sheila and her husband Robert are new residents here at Independence Village. She attended Grand Rapids Central and worked as a dental assistant before helping run the gift shop in her husband's pharmacy. Sheila has enjoyed a wonderful life raising her family with five biological children and seven stepchildren. Her hobbies include reading, dancing, and public speaking!

Community Updates

As we welcome the beauty of fall, I'm reminded of the comfort and connection this season brings. The crisp air, colorful leaves, and cozy moments shared together truly make this a special time in our community. I'm so grateful to witness the joy, laughter, and friendship that fills our halls each day. Let's continue to celebrate the season with warmth in our hearts and gratitude for one another.
