Time: 2:00 p.m.

Date: January 16, 2026

Meet at: Lobby

Meaningful Connections

Our Wellness and Life Enrichment teams take time every day to establish one to one connections with residents to gain a deeper understanding of their lives and who they are as individuals. We take this knowledge to build our activity calendar and include events that your loved one will enjoy. If you have any ideas for activities that your family member will love, please contact Michele at michele.atnally@independencevillages.com.

Resident Spotlight

Meet one of the members of our neighborhood, Sarah O! Sarah is from South Bend Indiana, Indiana. She is a life long teacher. Sarah enjoys reading, bingo, and playing the piano.

Welcome to our neighborhood, Sarah!

Something to Look Forward to

Our Life Enrichment team gets to know each resident on a one to one basis. We interview each resident to learn more about them. We find out what their likes and hobbies are, their careers, family history, and what matters to them most. We determine which activities they would most enjoy, and look forward to. We offer activities that can benefit the residents physically, mentally, and spiritually.

Our January Birthdays

Marilyn F. - 18th
Sarah M. - 25th
