## From the Life Enrichment Director

Hello Everyone!!

Spring is fast approaching and we are all looking forward to getting out of hibernation! With warmer weather coming soon we will be out and about soaking up the sun and getting fresh air. We start out outings back up this month so be sure to sign up at the front desk!

We will be having a resident council meeting the first Tuesday of each month so if you are interested in being part of the council come down to the activity room Tuesday March 3<sup>rd</sup> at 10:00am for an introduction of the council. We will discuss how you (the residents) want to partake in the council and go over a couple topics to start us off.

Best wishes,
